

REMARKS

The above-identified application was allowed in the Office Action mailed September 27, 2006. The issue fee has not been paid.

Subsequent to the receipt of the Notice of Allowance, applicant noted that Kathleen N. Tomkinson was omitted as an inventor on this application. The error in naming her occurred without any deceptive intent on the part of her, the named inventors, the assignee, or the assignee's representatives. The requested amendment is submitted to add Kathleen N. Tomkinson as an inventor in this application.

Applicants have prepared and attached the documents required under 37 C.F.R. §§ 1.324 and 1.48(a) in order to correct the inventorship in the above United States patent application. However, one of the named inventors, Dr. Soo-Peang Khor, is currently unavailable to sign the declaration as required to correct inventorship under 37 C.F.R. § 1.48(a). Upon learning of the need to correct inventorship in this application, we attempted to contact Dr. Khor via e-mail and telephone to no avail. We were recently in touch with one of his co-workers, who informed us that Dr. Khor is traveling and cannot be reached. We expect that Dr. Khor will become available within the next few months, and will, within this time period, be available to execute the required declaration.

With this amendment are all of the documents required to affect the inventorship change under 37 C.F.R. §§ 1.324 and 1.48(a), including: 1) a request to correct the inventorship; 2) a statement from Kathleen N. Tomkinson (the person to be added as inventor) that the error in inventorship occurred without deceptive intention on her part; 3) a declaration by the actual inventors as required by § 1.63, with the exception of Dr.

Soo-Peang Khor as discussed above; and 4) the written consent of the assignee under 37 C.F.R. § 1.48(a)(5) and § 3.73(b).

Applicants have filed, concurrently with this amendment, a fully executed assignment from inventor Kathleen N. Tomkinson to Wyeth.

The requested amendment involves no deceptive intent, and will not require an additional search, and does not raise new issues. Therefore, Applicants respectfully request that this Amendment be entered and that the requested changes made.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
